

Directions to the Dundee site

The **Dundee site** of the James Hutton Institute is located at Invergowrie 6km west of the city centre.

The James
**Hutton
Institute**

Webex:

While we welcome visitors to our site, we have invested in [professional-standard videoconferencing facilities](#) to enable high quality face-to-face meetings while avoiding the financial and environmental costs of travel.

Train or Coach:

There are a few trains daily that stop at the Invergowrie railway station (12min walk to the Institute). However, there are regular trains to the main Dundee station from Aberdeen (1h15min), Inverness (3h30min), Edinburgh (1h15min), Glasgow Queen Street (1h30min), London Kings Cross (6h), London Euston (overnight) and other UK cities. See [National Rail Enquiries](#). Dundee is also served by coaches which tend to be cheaper, but slower. See [Stagecoach](#), [National Express](#) or [Megabus](#).

The Dundee train station is an 1h25min walk, 30min cycle, 40min bus and 15min taxi journey from the Institute. [Bike&Go](#) is available at Dundee train station.

Local Bus:

The site is served by the number 39 bus, stopping at the Invergowrie Inn on Invergowrie Main Street or the 39A/B/C, stopping at Carse Place. From the Invergowrie Main Street, walk down Errol

road and turn right onto the footpath signposted "Invergowrie Walks Network School Loan" (11min). From Carse Place, follow the road for 40m and turn right into the Institute driveway (6min). Whitehall Street is the closest 39 stop to Dundee train station and Seagate (opposite M&S) is the closest 39 stop to the main bus station. See the [39 timetable](#).

By Foot:

If arriving on foot, the reception may be found in the southernmost building, at the top of the driveway. Please be aware of farm machinery and other vehicles on the roads around the site.

Cycling:

There is a pleasant, off-road cycling route to Invergowrie from the town centre running parallel to Riverside Drive. This takes about 30mins from the train station. To find our cycle shelters, cycle up the Institute driveway and take the second left. A cycle shelter is then visible about 20m further on your right. From this cycle shelter, walk back the way you came and go around the building to reach the reception.

Taxi:

We use Tele Taxis, who can be reached on 01382 825825.

Car:

The Institute has two [fast charge points](#) for electric vehicles. These are on the ChargeYourCar/ChargePlaceScotland network. To find them, drive up the Institute driveway and take the third left. The chargers are in a parking bay 50m further on your left.

Accommodation:

The Institute has a few self-catering rooms available for visitors at reasonable rates. Contact wendy.patterson@hutton.ac.uk to book these.

Air Travel:

There are no international flights to [Dundee airport](#). The closest international airport is [Edinburgh Airport](#). We encourage you to consider only taking one flight and then taking the bus or train within the UK.
