

**EAWG3: Integrated frameworks to support the Ecosystem Approach**

Date: Monday 30 April 2012; 10.30-4pm  
Venue: The Melting Pot, Edinburgh <http://www.themeltingpotedinburgh.org.uk>  
Main Facilitator: Kerry Waylen

**Introduction**

EAWG 3 is an opportunity to discuss the selection and use of frameworks to guide research and management for ecosystem services. Researchers in the RESAS Ecosystem Services Theme (EST) are currently developing an integrated framework to aid research, decision-making, management and monitoring. The EAWG 3 meeting will use this work as a basis for discussing if and how such a framework can be relevant and useful to EAWG members.
