Field Trials and demonstrations will include:

- Winter barley: varieties; fungicide programmes
- Winter wheat: varieties; optimal nitrogen rates; fungicides
- Spring barley: varieties; growing programmes for High N markets
- Current research at The James Hutton Institute and SAC

Times:

- Time of Event 1.30pm - 5.30pm
  - 1.30pm – Welcome and Introductory talks
  - 2pm-4.30 pm – Guided Tours
    - Tour 1: SAC Winter wheat varieties, herbicide demonstration plots and fungicide programmes
    - Tour 2: The James Hutton Institute research and SAC Spring and Winter barley varieties and growing programmes
  - The two tours will run concurrently and last approximately 1 hour. They will run twice.
  - 4.30pm-5.30pm – Refreshments will be served free of charge in the Marquee.
  - 4.45pm – Prize draw for a bottle of whisky kindly donated by SSCR

Marquee exhibits:

The James Hutton Institute, SAC, SSCR and representatives of the cereals industry will be present in the marquee, showing and explaining their latest research and products.

Location:

The James Hutton Institute’s Balruddery Farm
Invergowrie, Dundee DD2 5LJ
From 12.30pm car parking will be available on site.

This FREE event is a must see for those interested in cereals farming and associated industries. Make sure you do not miss out.

BASIS and NRoS points will be awarded to attendees on the day.

Registration

Booking is not required to attend this event. However, if you return this pre-registration form by 2nd July you will be entered into a prize draw for a bottle of whisky, kindly donated by SSCR.

The information on the form overleaf will only be used to process any registration you may make. We will not pass your details on to any third parties.

If you wish to remove yourself from our mailing list, or to check what details we hold about you, please email communications@hutton.ac.uk or write to us at Communications, The James Hutton Institute, Invergowrie, Dundee, DD2 5DA with your full name and address, the nature of your contact with The James Hutton Institute (formerly SCRI) and the type of mail you have been receiving.
